

# DO YOU NEED AFFORDABLE HEALTH INSURANCE?

A certified New York State of Health Navigator can help you enroll in:

## **Medicaid**

Low-income residents who are:

- Pregnant women and infants
- Children aged 1-18
- Parents and caretaker relatives of dependent children
- Adults aged 19-64 (who are not pregnant or eligible for Medicare)

\*Maximum annual income for an individual \$ 20,121 (2023)

## **Child Health Plus**

Children who are:

- Under 19 and NYS residents
- Not eligible for Medicaid
- Not covered by other health insurance
- Not enrolled in or eligible for coverage through a state health benefits program (NYSHIP)

\*Low or no monthly premium for those who qualify

## **Essential Plan**

Lower-income residents who are:

- Aged 19-64 and lawfully present in the U.S.
- Meet income requirements
- Not eligible for Medicaid, Child Health Plus or employer coverage

\*Maximum annual income for an individual \$29,160 (2023)

## **Qualified Health Plan**

NYS residents who are:

- Lawfully present in the U.S.
- Do not qualify for Medicaid, Child Health Plus, or the Essential Plan

\*Financial assistance may be available for those who qualify
