City Capital Improvement Request

Ms. Uttaro drew everyone’s attention to the Action Item in the Director’s Report and the additional handout with the more complete request and offered to answer any questions. RPL Room Reservations Policy

Reports

Rochester Public Library Liaison to the Monroe County Library System Board

Ms. Uttaro delivered the report on behalf of Mr. Lovenheim and reported that business conducted at the MCLS Board meeting included approval of the 2019 meeting schedule and a Disaster Recovery Backup Services Agreement.

Friends and Foundation of Rochester Public Library (FFRPL)

Mr. Davis provided the following updates: The annual Campaign 2018-19 letters went out last month and since July 1, $68,000 has been raised. FFRPL had worked with Local History to secure funds for City School District students to participate in National History Day projects. City Schools have not participated due to lack of funds for some 20 years. After failing to secure the grants, FFRPL decided to fund the project from discretionary monies. Last week FFRPL and the MCLS Staff Association hosted the annual MCLS Retirees’ Luncheon. The 63rd season of Books Sandwiched In (BSI) is midway through and is great as always. The Books Sandwiched In is also live streamed on the Facebook pages of Central Library and FFRPL for those who cannot come in person. The FFRPL Facebook presence – has seen a 180% increase in total reach in the last 12 months: from 23,000 to nearly 65,000. FFRPL will be co-sponsoring the Maker Faire Rochester at the Convention Center on behalf of the Central Library, and has commissioned a special ‘Airigami’ project designed by Larry Moss. It will be a 12ft x 27ft book-themed balloon mural which community members will help build. After the Maker Faire Rochester event it will be hung in the Central Library’s atrium. Upcoming events include a Coming Out Party/Chair & Table Dedication, where small plaques will be unveiled on the original wooden chairs and tables in Harold Hacker Hall, as a thank you to the $1000+ donors to the Library’s From Collections to Community capital campaign. This will take place on Wednesday, Nov 7, just before the opening reception of the 8th annual International Art of the Book Festival & Competition. One week later in Hacker Hall will be the annual Publishers’ Circle Library Celebration Dinner for last year’s top library donors, featuring, as keynote speaker, Pulitzer Prize-winning journalist and Brighton resident David Cay Johnston. The late and beloved Teen Librarian Stephanie Squicciarini will receive the Harold
Hacker Library Lifetime Achievement Award, and MCLS President Mary Joyce D’Aurizio will be one of the people talking about Stephanie and presenting the award to her husband Fred.

**Rochester Public Library Liaison to the Rochester Regional Library Council (RRLC)**

Ms. Snow reminded everyone that the Annual Legislative Thank You Breakfast is this coming Friday at 8:30 at the Henrietta Public Library.

**Director’s Report**

Ms. Uttaro offered to respond to any questions on her written report (Documents Book). Hearing none, she asked Trustees to consider reviving several Board Committees. The Branch Planning Committee would be valuable to work with Dr. Reeves on implementing the Branch Facilities Plan. She also asked that the Personnel Committee work with the MCLS Board in providing feedback for an evaluation of the Director. Currently the MCLS Board is working on an evaluation and now is an ideal time to reactivate the committee to provide input. She then reviewed individual trustee assignments as follows: Liaison to Friends & Foundation of the Rochester Public Library is Mr. Hamilton, Liaison to Monroe County Library System Board is Mr. Lovenheim, Liaison to the Reynolds Library is Ms. Salluzzo, and the Liaison to the Rochester Regional Library Council is Mr. Wolf. Ms. Uttaro then brought up the recent security incident at the Phillis Wheatly Community Library, whereby shots were fired outside of the library with at least one bullet striking and shattering the glass above the circulation desk. She reported that Dr. Reeves and Joan Lee are coordinating a review of all branches with the City Security Department. As the next round of budgets are being worked through, staff is likely to be adding funds to allow more guards to be hired for the branches. Ms. Uttaro also noted that the staff at the Wheatly Branch responded exactly as they had been trained. Ms. Uttaro then reminded all that there is a ceremony this afternoon at 4:00 in Hacker Hall to receive two new Dolls from Nagasaki Japan. One doll is going to Rochester Museum and Science Center and the other doll will be kept at the library.

**Central Library**

Ms. Snow called attention to her written report and offered to respond to any questions. Ms. Benjamin asked if there are any collaborations with local theater companies to produce the play discussed in the written report on page 15, (Documents Book). Ms. Snow responded that there are no plans currently, however, the playwright is working towards staging a full production of his play. She then went on to review the highlights from the written report.

**Branch Libraries**

Dr. Reeves offered to answer any questions on the written report (Documents Book). She then reviewed highlights from the written report with the Trustees.

**Other Business**

Ms. Martinez asked about Story Walks and if they are something that can be done at local parks, specifically at Conkey Corner Park. Dr. Reeves offered to connect her to the appropriate people.
