## **Guide to Naturalization Records and Alien Arrivals in the Local History Division Central Library of Rochester and Monroe County**

There are two separate runs of microfilms in these collections.

The first series is:

**Title** - Manifests of alien arrivals at Buffalo, Lewiston, Niagara Falls, and Rochester, New York, 1902-1954 [microform] / compiled by Tracee Hamilton and Claire Prechtell-Kluskens.

**Publisher** - Washington: National Archives and Records Administration, 2000.

**Paging** - 165 microfilm reels; 16 mm.

**Series Stmt** - National Archives microfilm publications; microfilm publication M 1480

**Notes** - Record Group 85.

**Subjects** - [United States](#). Immigration and Naturalization Service Records and correspondence. Immigrants New York (State) Registers. Aliens New York (State) Registers. [New York \(State\)](#) Emigration and immigration History Sources.

In these films the searcher will find the manifests of aliens arriving in the above named cities for the times indicated. ***US citizens returning from abroad are not aliens, and their names will not be found in these films.***

The other series is:

**Title** - Alphabetical index to petitions for naturalization 1907-1966 [microform].

**Publisher** - [Salt Lake City, Utah : Genealogical Society], 1990.

**Paging** - 20 microfilm reels ; 16 mm.

**Notes** - "Locality of record: U.S. District Court, western district of New York." Filmed at Federal Records Center New York, Bayonne, N.J. The microfilmed records consist of 3-by 5-inch cards that index bound and unbound naturalization petitions. "Microfilm publication M1677."

**Subjects** - index to petitions for naturalization of the U.S. District Court for the Western District of New York, 1907-1966. Index to naturalization petitions of the United States district court for the western district of New York : alphabetical index to petitions for naturalization 1907-1966.

Note - these are NOT the actual petitions themselves, but rather an index to the names appearing therein. The western district is approximately from Syracuse westward to the western border of New York. The present location of the actual records is not given, but they usually are held in the county clerk's office of the county where they were filed.

*At the end of the naturalization films are various declarations of intention to become a citizen, dating from the 1820s to the 1840s. The list has been alphabetized.*

**User's Guide to Naturalization Records and Alien Arrivals  
in the Local History Division  
Central Library of Rochester and Monroe County**

The names appear on the films using the Soundex system of name coding in order to get similar sounding names together. It is NOT alphabetical. After coding the last name, the names should appear on the cards in alphabetical order by FIRST name. Here is a guide to coding Soundex:

The first letter is simply the first letter in the word. The remaining numbers range from 1 to 6, indicating different categories of sounds created by consonants following the first letter. If the word is too short to generate 3 numbers, 0 is added as needed. Wu, shown below, is an example of this. If the generated code is longer than 3 numbers, the extras are thrown away.

Code	Letters	Description
1	B, F, P, V	Labial
2	C, G, J, K, Q, S, X, Z	Gutturals and sibilants
3	D, T	Dental
4	L	Long liquid
5	M, N	Nasal
6	R	Short liquid
SKIP	A, E, I, O, U	Vowels (and H, W, and Y) are skipped

There are several special cases when calculating a Soundex code:

- Letters with the same Soundex number that are immediately next to each other are discarded. So Pfizer becomes Pizer, Sack becomes Sac, Czar becomes Car, Collins becomes Colins, and Mroczak becomes Mrocak.
- If two letters with the same Soundex number separated by "H" or "W", only use the first letter. So Ashcroft is treated as Ashroft.

Sample Soundex Codes	Word	Soundex
W	Washington	W252
W	Wu	W000
D	DeSmet	D253
